

Home-School Agreement

Providing effective learning opportunities for all pupils.

The Aims of Weeton Primary School

At Weeton, we aim to teach the knowledge and skills relevant to the individual needs of all our pupils whilst developing positive attitudes towards learning, so that our pupils may grow in confidence and achieve their full potential.

We endeavour to achieve this within a stimulating and caring environment where self-discipline, respect for others and good manners are valued and encouraged.

We seek to develop positive links with the ever-changing community we serve so that the time children spend in our school is a worthwhile foundation for their future life in society.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as outlined in this agreement.
