

School Meals

All school meals are cooked on site and the service is run by Lancashire County Catering Services. The meals produced use only high quality, mainly fresh ingredients and represent very good value for money. From September 2023 meals cost £2.50 per day.

A three week rotation menu is emailed to all parents (via ParentMail) whenever a new menu is introduced. This is to make you aware of the 3 choices per day. You can discuss these with your child helping them to make a considered decision every day. Each day, your child will pre-order their meal with the class teacher during registration; they will select a choice from three mains (one of which will either be a sandwich, panini or jacket potato).

As parents you are allowed to choose the number of meals per week that you wish your child to have. Via ParentMail, parents can opt for which days of the week KS2 children will take a school meal. Meal registers are updated each week on ParentMail which will automatically invoice parents.

All pupils in the Reception class and KS1 (Classes 1 and 2) are offered a FREE Universal school meal and therefore we encourage you to take up this offer.
