## May 2024

**We** have all enjoyed the warmer start to the summer term, long may it continue...We have a lot going on in school over the next few weeks, the term will fly by.

### Year 6 SATs

---

Year 6 children are well prepared and will be taking their SATs next week. They are welcome to come in for breakfast each day from 8.30am. By 10.30am on Thursday 16 May, they will all be over...

### Assessments

---

Children in other year groups will also be undertaking assessments in reading, maths and SPAG over the next week or two. Results will be included on your child's End-of-Year report which will be sent out in late June.

### Water & suncream

---

Now the warmer weather is here, please ensure your child comes to school with suncream applied and encourage your children to bring a water bottle into school. Staying well hydrated has been proven to improve concentration and attainment in lessons.

### Tenon

---

Tenon are currently advertising for a cleaner and site supervisor within school.

This is not a school employed position therefore if interested please contact Lorraine at Tenon directly on **07970 200411**.

### School Catering

---

Message from LCC Catering - Would you be interested in joining our team? Permanent & Casual positions available. If so, please contact Sharon – 07854 184203

### Extra Music Lessons

---

Unfortunately, due to budget constraints, we are not going to be able to continue our work with the LCC Music Service from September. This will mean we can no longer offer individual piano and guitar lessons and class saxophone lessons. I am sorry for the inconvenience this may cause and hope that children can find alternative provision in the local area should they wish to continue with their passion in music.

### Friendship Candle

---

A quiet start to the summer term...no leavers or joiners so far! We are expecting 8 children on another flight from Cyprus in the next few weeks though. We will also be saying 'farewell' to Mr Bulpitt when we break up for the half-term holiday. After looking after our school for the last 6 years, he is now looking forward to a relaxing retirement!

We are interviewing for a teacher to join our team in September later this week. We will then be able to finalise our staffing plans for the Autumn term and be able to share who will be teaching your children for the next academic year.

**Newsletters are also on our school website: [www.weeton.lancs.sch.uk](http://www.weeton.lancs.sch.uk)**

**Lots of photos of school life can be seen on Twitter [@PrimaryWeeton](https://twitter.com/PrimaryWeeton)**
