

Weeton Primary School

Where we learn, laugh and thrive together

Sports Premium Funding Information **2023-2024**

What is the Sports Premium?

The Government has provided funding for school PE & Sport. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport and will see money going directly to Primary School Headteachers to spend on improving the quality of sport and PE for all their children. Weeton Primary School will receive a total of **£17067** over the academic year, paid in two instalments. Schools have to spend their Sports Premium funding on improving the provision of PE & Sport but have been given the freedom to choose how they do this.

Objective of Sports Premium at Weeton Primary School

At Weeton Primary School, we are strongly committed to PE & Sport and ensuring that all children have the opportunities to develop a wide range of skills. This is evident in the wide range of activities that we offer, including being involved in competitive and non-competitive sports. We recognise the importance of PE & Sport to the health and well-being of our children and the impact the PE curriculum and extra-curricular activities can have on the attitudes, confidence and academic achievement of all children.

How Weeton Primary will use the funding

PE & Sports is a specialist area of teaching. We utilise the expertise of specialist Sports Coaches throughout the year, to deliver specific lessons. This is to ensure our children have access to high quality PE lessons and extra-curricular sports clubs each week that our staff can observe/team teach alongside, enabling staff to develop and enhance their own teaching knowledge and skills.

Our children will once again take part in a wide range of sports competitions, both competitive and non-competitive, through the Wyre & Fylde Sports Partnership and through the Carr Hill Sports Partnership. These range from football to tennis to archery.

Where we learn, laugh and thrive together

Lunch times are an ideal time to develop sports skills. This year, our pupils will receive sports coaching from a qualified sports coach for 1 hour every day. During this period, the AFC Fylde sports coach will work with children teaching the fundamental movement skills in Key Stage 1 and providing opportunities to enhance skills in Key Stage 2.

An area of our school that we are very proud of is the development of our Forest School. This will provide our children with the chance to develop outdoor and adventurous skills from orienteering and den building to map reading and problem solving. The sessions are often very physical and have a significant benefit to self-confidence and promote a positive mental well-being. Each class across school will take part in Forest School sessions for a morning or afternoon each week.

How does the Sports Premium fit in with existing school sport?

Children in every class at Weeton Primary School participate in at least 90 minutes of PE, at least 2 hours of outdoor activity and have up to an additional 6 hours of structured sports activities available to them at break and lunch times each week. Teachers/Coaches plan lessons from the Lancashire scheme of Work for PE which includes Gymnastics, Games, Dance, Outdoor and Adventurous Activities. In addition to this, children in Year 3/4 go swimming for two terms per year and Year 5 & 6 go swimming for one term.

Children will continue to compete in local leagues and tournaments organised by the local Sports Association. The PE coordinator attends meetings of the association. This year, the school staff will take teams to compete in a wide range of inter-school sports competitions and festivals.

Impact of Funding 2022-2023

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none">100% of pupils received sports coaching by a specialist coach at lunch time and during PE lessons.All children had access to high quality resources during PE lessons.All children have access to specialist Forest School lessons.	<ul style="list-style-type: none">Assessment of children's learning shows progression of learning across school, ensuring that the curriculum is planned sequentially.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	All Year KS2 children went swimming this academic year to try and ensure as many of them as possible achieved the 25 metre distance.
