September 2024

Welcome back to all our families and friends after the summer holidays. It was great to see the children all looking smart in their uniforms ready to start the school year. I hope you all took a photo of them...they may not look as smart/clean/tidy when they come home each night! I hope they all look as smart when they get changed for PE too (white t-shirts, black shorts), and remember to bring the correct kit in each week.

Forest School sessions start this week – can you ensure children have appropriate clothes each week – long trousers/leggings, t-shirt, sweatshirt, coat, trainers/boots etc – and please remember they will get wet/muddy/covered in grass etc!

Welcome to Weeton

After saying 'farewell' to 21 children on the last day of term, it was great to see some new friends joining us today.

We lit the Friendship Candle during our first assembly together as our Weeton family to say 'welcome' to **67** new children into school. We are expecting a few more families to join us during September too. If you have any records from their previous schools, please pass them to the class teachers or school office.

ParentMail

If you haven't already, please sign up for **ParentMail** and/or download the App.

We use ParentMail to send out information from school, and for parents to book and pay for school trips, clubs, childcare etc.

If you are having difficulties, please call in to the School Office who will be able to assist.

Medication

If your child needs any prescribed medication whilst in school e.g. asthma inhalers, please can you send it into school. If you haven't already done so, a medical consent form will need to be completed too – please see the School Office.

Class Information

Class teachers will be sending home information leaflets by the end of this week, with details of staff, homework, PE and Forest school days.

September 2025 admissions

Do you have a child who is due to start school in September 2025? If so, please remember to apply online for a place. The deadline is 15 January 2025, although it would help us with our forward planning if applications were made earlier.
